

Members and Friends of Sunrise Church:

Sunrise has always been about serving the Lord and creating disciples. There has been so much incredible, God inspired, kingdom work that has been accomplished at Sunrise in our first 20 years, we literally could write a book about all of the lives that have been touched! Our congregation has a deep desire to continue that work and expand upon it. That's where you come in.

As a disciple of Christ with a vested interest in Sunrise church I invite you to listen for God's voice in response to the question:

What commitment is God asking me to make to ensure the future of Sunrise Church is even more vibrant, powerful and world transforming?

You have the opportunity to enter into partnership with our family of believers that desires to partner with God by "laying new bricks" both literally and figuratively to expand the footprint of Sunrise Church to enable us to do even more to build the kingdom of God. This is an exciting time in the life of Sunrise Church! Will you join us?

Contributions to the Building on Faith campaign can be made by simply writing "Building on Faith" in the memo line of your check. If you would like to make a formal pledge to solidify your commitment to the Building on Faith campaign you can find a blue pledge card in the back of the brochure holder next to the Building on Faith banner in the narthex. Contributions and pledge cards can be dropped in the offering plate or mailed to the church office at 5420 Sunset Lake Rd, Holly Springs 27540
